

Screen Enclosures

Skylights can be installed to create the illusion of more space and let in natural light.

Notice the clean finish where uprights attach to the crossbars. Other systems have exposed brackets or fasteners.

Prehung Screen Door

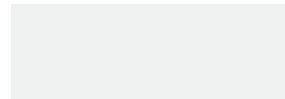

COLOR SELECTOR:

CLAY

DARK BRONZE

IVORY

WHITE

Enjoy the view.....

A new screen enclosure is a luxury you CAN afford! Designed for the budget-minded, the Mason system is simple to install and easy for the homeowner to maintain.

Before and After

Perfect for morning coffee and evening relaxation.....

The expanded living area gained with the addition of a screen enclosure will provide the homeowner with many years of enjoyment. An experienced dealer is available in most areas to offer advice and pricing for any style enclosure desired. Remember, with Mason Corporation, quality comes first.
