

## Dream®Dock Systems

Imagine a dock surface that is barefoot friendly and looks newly installed year after year. Now imagine the time and financial savings you will enjoy without the regular maintenance of a traditional wood dock!

Introducing Dream®Dock, a revolutionary dock system from Thermal Industries, Inc. that enables you to enjoy your dock without the splinters, unsightly appearance and extreme heat buildup of wood.

Dream®Dock's solid construction assures that once you build a new dock or replace an existing one, you will enjoy years of comfort and performance.

Enjoy Dream®Dock, the best solution for Low-Maintenance Dock Surfaces!

Dream®Dock is easy to install and virtually maintenance-free

Dream®Dock is barefoot friendly

Now you can enjoy the complete boating experience in comfort with your new Dream®Dock from Thermal Industries. And, you will have even more time to enjoy your surroundings because the Dream®Dock Vinyl Dock System is virtually maintenance-free.

## Complete Selection

Complete your Dream Dock with the Dream®Rail Glass Rail System, featuring 3/8" thick tempered safety glass

Dream®Rail is the perfect finishing touch to your new vinyl Dream®Dock

The Dream®Dock Fixed System is available with planks, vinyl or glass rail systems and stairs. The system's components are interchangeable so that your dock can be designed to suit your personal needs. Dream®Dock fixed planks\* are available in white, earthtone and gray colors.
